# UNIBILT SLEEPERS IDENTIFICATION GUIDE

Unibilt sleepers were introduced in 1994 and production continues today. Our aftermarket panels are proudly made in the USA to OEM specifications.

Before ordering panels, it is important to determine which sleeper you have. Please see our guide below or give us a call at 847-520-2950 and we will be happy to assist.

## What Generation is My Unibilt Sleeper?

### Identify By Year

<u>Sleeper Year</u>	<u>Generation</u>
Pre-1994	Non-Unibilt
1994-2006	Generation I
2007	Transition year, please see guide below
2008-2024	Generation II

**IMPORTANT: Please note, your sleeper year can be different from your truck year. Please verify sleeper is original before using year alone for ID.**
